

## **Brownell CAM EZ**

### Application Instructions

Brownell's CAM EZ is a lubricant designed to help servings slide over cams in order to reduce wear. Cam EZ will work with any of the serving materials offered by Brownell. Cam EZ can be reapplied as required. Cam EZ contains no hazardous materials.

### Application

1. Apply small amount of Cam EZ to the serving.
2. Wipe to remove any excessive Cam EZ with a towel or cloth.
3. Cam EZ can be reapplied as required.

Note: If using CAM EZ in conjunction with Liquid Lok, apply the Liquid Lok first and allow it to dry thoroughly.

This product is non-toxic.

Avoid contact with eyes. In case of contact, immediately flush eyes with plenty of water.
